**Frederick Health Opens New Brunswick Facility**  
*Becomes 25<sup>th</sup> location in healthcare network*

**Frederick, MD – September 15, 2023** Frederick Health is pleased to announce the opening of a new, state-of-the-art healthcare facility in Brunswick, Maryland. This facility will provide award-winning care to residents of one of the fastest-growing areas of Frederick County.

Frederick Health Brunswick will offer a wide range of healthcare services focusing on prevention, treatment, and the community's overall wellness. By constructing this facility, Frederick Health continues to support its mission to positively impact the well-being of every individual in the community.

"Our community continues to grow, and by expanding our services to Brunswick, we are helping to meet those changing needs," said Tom Kleinhanzl, President & CEO of Frederick Health.

The facility is located at 1194 Dutchman's Creek Drive and is scheduled to open to the public in the first week in October. A ribbon-cutting ceremony will be held at 4:30 PM on September 25, and media members are invited to attend. A tour of the facility will follow. Please get in touch with Josh Faust, Communications & Public Relations Specialist with Frederick Health, if you wish to attend.

"This location will bring accessible and expert care to residents by offering Primary Care, Urgent Care, Laboratory Services, Imaging, Physical Therapy & Sports Rehab. This is a great day for Frederick Health and the City of Brunswick," added Kleinhanzl.

"On behalf of myself, our city staff, and the residents of Brunswick, I am very happy to welcome Frederick Health's newest location here. This facility will help greatly with the health needs of our growing and improving community," said Nathan Brown, Mayor of the City of Brunswick.
