

Dr. Harvey Levy & Associates, PC Family Dentistry

Dr. Levy, the first dentist to join FredMed, has been using computers in his office since 1986. Today his 9-treatment room practice utilizes digital X-rays and fully computerized patient records.

Harvey Levy, DMD, FAGD, MAGD is a former clinical

director of the General Practice Residency at the Hospital University of Pennsylvania, and has maintained a general dental practice in Frederick, MD since 1980. He holds seven fellowships, three Diplomate certificates, and both a Mastership and a Lifelong Learning and Service Recognition in the Academy of General Dentistry. He was honored for his work with the handicapped by receiving the Academy of General Dentistry's (AGD) Humanitarian Award, the ADA's Access to Care award, and ran the 2002 Olympic Torch. He holds Level 3 certification in Homeland Security, and is the 2002 recipient of Frederick Memorial Hospital's Good Samaritan Award. For 14 years, Dr. Levy served as the President and Executive Director of the Maryland AGD. He has two daughters, Rebecca Friedman and Ariel Levy, and lives in Keedysville with his fiancée, Lena Rotenberg. He is an accomplished martial artist, holding black belts and actively training in a number of styles.

Key Staff

David Somerville, DDS is a native of Maryland who grew up outside of Baltimore. He received his Bachelor of Science degree from the University of Maryland in 1972. He is a 1981 graduate of the Baltimore College of Dental Surgery, University of Maryland Dental School. His clinical experience includes Prince Georges County Health Department and Springfield Hospital Center. He joined Dr. Levy's practice in 1987. Dr. Somerville enjoys spending time with his wife, Cami, 4 children, and 2 grandchildren.

Niraj Patel, DMD graduated from Boston University Dental School in 2000 and did one year of general practice residency at St. Francis Hospital in Hartford, CT. He joined Dr. Levy's practice in 2002. He is currently working on achieving fellowship in the Academy of General Dentistry. Dr. Patel lives in Germantown with his wife, Kirty, and 3-year-old son, Rohit. He enjoys spending time with his family and is a great sports fan.

Deborah Mason-Rooney, Office Manager is a former Staffing and Employee Relation Specialist with the Federal Government and has managed Dr. Levy's Frederick dental practice since 1987. She and her husband, John, reside in Frederick. She is the mother of two children, Stephen and Meghan, and the grandmother of Peyton. Deborah is a Frederick Memorial Hospital Auxiliary Board Member volunteer serving as the Baby Photos Chairperson. She enjoys quilting, is a member of the Mid-Appalachian Quilter's Guild, and has received local quilt show recognition.

What Unique Services Do You Offer?

Dr. Harvey Levy & Associates offers comprehensive general dentistry 60 hours per week including some evenings and Saturdays, in a 9-operator office. The gamut of services offered includes fillings, crowns, treatment for gum diseases, root canal therapy, oral surgery, and the replacement of missing teeth with bridges, implants, partials or dentures. Young children, apprehensive patients, and handicapped patients receive special attention. The office has the latest in modern radiographic equipment, disease transmission control and computerized record keeping. Members of the staff are conversant in several languages, in particular American Sign Language, Spanish, and Yiddish. While Drs. Somerville and Patel cover the office, Dr. Levy also offers comprehensive dental care at the OR at Frederick Memorial Hospital, and attends to patients in local nursing homes and other institutions. At dental conferences, he often lectures on techniques he developed to work with special needs patients, hospital dentistry, and dental extractions.

Which FredMed Services Do You Find the Most Valuable?

We like FredMed's availability for problem solving with quick response time, and also the regular monthly visits for non-emergency care. We have ten computer and TV set-ups for patient education and staff information, which FredMed keeps in running order.
